2. The DD/I has approved the procedure outlined in the attached memorandum and Contact Division [redacted] have been advised. As suggested in your memorandum, I agree that the simplest way to handle the matter is between Contact Division [redacted] and local FBI representatives.

3. I believe that the suggested procedure will go far toward satisfying the desires of the FBI, but it must be anticipated that marginal cases may provide bases for misunderstanding. Such misunderstanding, however, I think can be clarified [redacted] with a minimum of trouble. I therefore suggest that you advise Mr. Papich, FBI Liaison Officer, of the procedures as proposed in paragraph four of the attached memorandum.
